

TO-EL DORADO

RULES:

- A total of 100 clues will be given to the participants in PDF format.
- The clues will be in the form of pictures, puzzles, facts, coordinates, codes etc.
- A unique code will be assigned for the objects, in different locations, throughout the CEG campus and the team which manages to get hold of the object first must tear off **the code only and not the card.**
- The teams are expected to write down the name of the location and the corresponding unique code (if found) next to the clue number in the A4 sheet that will be provided. (Note: Only the team that finds the object first will be able to grab the unique code)
- If the unique code numbers don't match then negative marks will be given.
- 1 point- for correct location.
- 4 points- for correct code number.
- (4+1=5 for each clue)
- The clues can be solved in any random order.
- The team which scores the highest points within the given time duration will be awarded the winner.
- Organizers decision is final
