

UN 2023 Water Conference In-person Side Event for Stevenson Holistic Care Foundation

ID 1: Water for Health: Access to WASH, including the Human Rights to Safe Drinking Water and Sanitation (SDG 6.1, 6.2, 6.3 and SDGs 1, 3, 4, 5, 17)

Theme: Portable Water and Healthy Packaging for Sustainable Environment

Description: Portable Water and Healthy Packaging for Sustainable Environment, will focus on portable water, water sanitation, water packaging and disposal of packs for a healthy Environment, an emphasis will be made on innovative packaging with recyclable pack other than plastics as well as storage. The pollution of our waterways by indiscriminate disposal of plastics, invariably affecting life under the water and obstruction of waterways are part of the disaster. The environment is adversely affected by the plastic solution as well as other health challenges that may ensue when such plastics are eventually recycled.

The need for Provision of portable water with eco-friendly packaging, this will cob indiscriminate disposal of plastics and its consequential effects on the Environment and Health, a potential rise in the sea level and other climatic effects will in turn be ameliorated

Date: 24th March 2023

Venue: Nigerian House New York
