Alarme batiment

Thursday 19 October 2023 08:00 (20 minutes)

Indico is the result of the collective work of more than 100 different developers, translators and usability specialists of many nationalities. You can be the next one - read our Contribution Guide if you'd like to help out.

You don't need to know how to write code in order to help!

Presenter: ELOU, Jam

Session Classification: point 1
