

Global Congress on Forensic Science and Research

Thursday 13 November 2025 - Saturday 15 November 2025

Valencia

Scientific Programme

The Global Congress on Forensic Science and Research (Forensic Research-2025) is a three-day international conference in Valencia, Spain, bringing together experts, researchers, and practitioners from all areas of forensic science.

The program features keynote lectures, technical sessions, workshops, and panel discussions covering topics such as forensic medicine, toxicology, genetics, digital forensics, psychology, and emerging technologies.

Participants will have the opportunity to present research, network with peers, and explore innovations shaping the future of forensic science.

The conference aims to foster collaboration, highlight cutting-edge research, and provide a platform for young scientists and professionals to engage with the global forensic community.
